## president's MESSAGE

### *Merry Christmas and Happy New Year,*

Tis the season of giving, at our December 23 meeting, we will be presenting awards to agencies that have worked diligently to maintain their annual "Citizen-Centric Report" as stated by Public Law 30-127. Thank you to our Accountability chair Doreen for recognizing the agencies who have consistently published their CCR and continue to evolve. Our guest speaker will be Lt. Governor Tenorio, who will share ideas for recycling in our community and lastly our Young Professional committee has a few Christmas activities with a surprise to round up our meeting.

2021 will be eventful as we continue with our 50<sup>th</sup> year anniversary activities. January we will recognize ***Who's Who in Government of Guam Accountability*** and we will also be providing a CPE for our guest speaker on Robotics Process Automation from EY.

## PRESIDENT’S MESSAGE. CONTINUED

I would be remiss in thanking our dedicated CEC chairs for their support these last six months, as even with the pandemic as a Chapter we were able to reach milestones from our strategic plan. We provided a scholarship to a deserving student and we plan to do so again in 2021. We donated to Guma San Jose and Salvation Army through our Fund Drive efforts. For our membership, we provided numerous free CPE opportunities.

Let’s look forward to 2021, count our blessing and remember always be kind. I wish you and your families a productive and giving holiday season.

Best regards,  
**Pilar Pangelinan**  
 Chapter President

## Did You Know...

### CGFM Edition 4 of 10

**What if I received my degree from a non U.S. college or university?** An evaluation report is required for foreign degrees. The evaluation report must be prepared by an organization that performs foreign educational credential evaluation services and is a member of either National Association of Credential Evaluation Services or the Association of International Credentials Evaluators. A course-by-course evaluation is not necessary.

**What is the required degree documentation for my CGFM application?** A copy of your official transcript from an accredited college or university is required before any CGFM Examinations can be taken. The official transcript must clearly state your name, the name of college or university, the fact that a degree (bachelor's or higher) was conferred, and the date the degree was awarded.

**Will AGA accept my unofficial transcript?** Unofficial transcripts and transcripts printed from the college/university website are not accepted.

**Can I use my CPA license or other professional certifications in lieu of submitting an official transcript?** CPA license or other professional certifications held are not acceptable as proof of degree.

**I'm still a student, can I take the CGFM exams?** If you are currently enrolled and are within one year of graduation with a bachelor's degree, you may be able to apply for the CGFM Program and start taking the CGFM Examinations before your degree is conferred.

Just released — AGA and AFERM 2020 ERM Workshop Summary Report

### December 18, 2020 Email from AGA National Office

Enterprise Risk Management (ERM) provides a better way to anticipate and manage risk across an organization. By integrating internal control and ERM programs, agencies can prioritize and respond to risks more effectively and efficiently. Integrating ERM and strategic planning can make strategic plans stronger while helping to focus limited resources on the risks that matter most.

Don't miss out! Download your free copy of this report summarizing panel and breakout discussions from the 2020 ERM Workshop. At this year's workshop participants gained valuable insights on integrating risk disciplines throughout an entire organization. The participants discussed ERM value, shared best practices from oversight entities for ERM implementation, and learned how to operationalize risk appetite statements. You too, can benefit from the workshop — by accessing this document!
